

# Lower Arkansas Valley Hispanic Ministry

Lamar & Holly Churches

April-May 09

## UPDATE

**We praise God for all of you, who are supporting this ministry throughout prayer and financially.**

**We pray that God Bless you abundantly.**

**God has been blessing us through this month with souls coming to Christ Jesus.**

**This month we have one baptism, two confessions of faith and several rededications.**

**We pray that the harvest does not stop.**

**We keep working with the migrans workers and now several of them are attending the churches.**

**One of the problems that we have every year is that we don't have big vehicles to transport them to the church, but we are praying and we hope that God will provide a 12 or 15 passengers van.**

**Please pray**

**That God gives us the wisdom and the strategy to reach those communities.**

**For the members of the board.**

**For Elisa's health.**

**For this ministry's finances.**
