

Lower Arkansas Valley Hispanic Ministry

Lamar & Holly Churches

January -February 09

UPDATE

First of all we would like to express gratitude to God for supporting this ministry throughout all the brothers and sisters who are sending their offerings and are praying for us. This month has been hard for some of the members of the Hispanics congregations. Many of them are out of jobs and are having trouble getting a new one.

We ask for prayers that God will provide for their families.

Concerning the jail ministry, it is encouraging to see men confessing Christ almost every week. The last two weeks about seven inmates commit to Jesus Christ.

On February the 21st we had a marriage conference and pot luck dinner, we did not have a very big attendance but we had a very good time with the couples that attended this event.

We talked about communication in the marriage.

The onion season has started and we already are making plans to work with the temporary workers on Granada.

We ask you to pray for
Healing over Martha, Susana, Elisa,
Bene.

Pray for this ministry growth, and its financial needs.
