

Lower Arkansas Valley Hispanic Ministry

Lamar & Holly Churches

January -February 09

UPDATE

First of all we would like to express gratitude to God for supporting this ministry throughout all the brothers and sisters who are sending their offerings and are praying for us.

Since the month of march I already made contact with some of the migrant workers and introduce them to the churches, I have been helping them to get food because fo rain they cannot work much. I'm also, sharing with them the word of God. At least three of them are attending the church regularly. As every year on Easter Sunday, we had our Sunrise Service, we had worship and a biblical sermon by brother Rigo Pena. Recently, people from Lamar and Syracuse have been attending the worship in Holly. Our congregation enjoy a Jewish Sedar service with Anglo congregation.
